Intramural Sports

Where to find a team?
Intramural teams are created through common bonds or associations at the University of Hartford. These bonds include:

• Friends
• Resident Halls
• Campus Organizations (Clubs)
• Sororities and Fraternities
• Flyers and Advertisements
• IM Office

Individuals without a Team/ Free Agents
If you are not affiliated or do not have contact with any of the above, there are several options to become team member. The IM Office will assist in every way possible. The options are as follows.

Contact the office and give your name, phone, e-mail and desired sport.

Attend the manager’s/captain’s meeting, there will be a free agent roundup for captains to fill their rosters.

Go to some IM games and ask around, be proactive.

Schedules will be posted outside of the IM Office and (hopefully) on the web site.

How to enter a team
Registration forms will be available for all Intramural activities.

Regular office hours will be 11-7 pm Monday - Thursday and 11-6 pm on Friday.

You are encouraged to register early, do not wait until the last minute.

Obtain a registration form from the IM Office.

Fill the registration form out completely.

Bring in the completed registration by the specific deadline date.

Attend the captain’s/manager’s meeting to pick up a league schedule, roster, rules and receive information on IM policies and procedures.
GENERAL ELIGIBILITY

It is the responsibility of the captain to ensure that members of their team are eligible. Any questionable case should be brought to the IM Director so that an official ruling can be obtained. Rosters will be checked throughout the season.

1. Full-time students at UH with a valid student ID card.
   - Part-time and graduate students must have a valid UH ID and show proof of health insurance before the season. (A copy must be on file with the IM Office).
   - Faculty/Staff members must be members of the Sports Center. (Credit is given towards the Wellness program).

2. UH Varsity Athletes are ineligible to compete in their sport or any related sports in the IM Program. (i.e. current baseball players may not play baseball or softball).

3. Only one ex-varsity letter winner is eligible to be on an intramural team's roster for each sport in which the student lettered. This rule includes the holder of a varsity letter at a university or senior college other than the University of Hartford. This rule will not apply to ex-varsity athletes who graduated before September 1, 2001. (Ex-varsity refers to collegiate athlete not high school)

Reminder:
*** Sometimes there may be strange or special circumstances that may come up. Keep in mind that the IM Director will make the final decision regarding eligibility.

4. Any professional or elite athletes are ineligible to compete in that sport or its related sports.

5. A participant is not permitted to transfer from one team to another after participating in one scheduled game without authorization from the IM Director.

INELIGIBLE PLAYER

If the use of an ineligible player is detected at any time, including playing on more than one team, the player will immediately and automatically be suspended.

- During league play, all contests in which an ineligible player participates may be recorded as a forfeit win for the opposing team and the ineligible player will be suspended for the remainder of that sport. This decision may be made at the discretion of the IM Director.
- During the playoffs, the last contest in which an ineligible player participated shall be recorded as a forfeit win for the opposing team.

ROSTER RESTRICTIONS

An individual may not, under any circumstances, play on more than one intramural team in each sport. However, an individual may participate in either men's or women's and co-recreational division. Also, an individual may participate in either fraternity or sorority and co-recreational division. If you are not sure, please ask our staff or stop by the Intramural Office.
ORGANIZATIONAL ELIGIBILITY

There are five divisions for University of Hartford intramurals sports: Men’s, Women’s, Co-Rec, Fraternity, and Sorority.

Men’s Division: All University of Hartford male undergraduate and graduate students, as well as faculty and staff, are eligible to participate in this division.

Women’s Division: All University Hartford female undergraduate and graduate students, as well as faculty and staff, are eligible to participate in this division.

Co-Recreational Division: All University of Hartford male and female undergraduate and graduate students, as well as faculty and staff are eligible to participate in this division.

Fraternity Division: All fraternities that are recognized by the University of Hartford and Greek Life are eligible to participate in this division.

Sorority Division: All sororities that are recognized by the University of Hartford and Greek Life are eligible to participate in this division.
LEVEL OF PLAY
Whenever possible, different level of competition in each division will be available.
• A = Most Competitive (you’re all that and then some!)
• B = Advanced (you’ve got game, but perhaps you’re a little rusty)
• C = Recreational (you’re playing just for the fun of it)

SCHEDULING
Requests for preferred game times and dates will be accepted but they are not guaranteed. We will try to accommodate requests whenever possible. Teams cannot postpone or cancel games by agreement. All schedule changes must be approved by the Intramural Director. All changes will be posted on the intramural board. Captains/Participants, please be sure to check the board frequently!

FORFEITS
Forfeits are detrimental to the entire program and are an injustice to participants who want to play. Players looking forward to playing are very disappointed when opponents fail to show. Therefore, a forfeit fee policy has been instituted to eliminate forfeits.

If a team forfeits they must pay a $10.00 re-entry fee the day before their next scheduled contest. If the team does not pay the re-entry fee, they will be dropped from the league.

INCLEMENT WEATHER
Administrative postponements or cancellations occur when the weather or other uncontrollable factors make postponing games necessary. If the weather is questionable, call the intramural office at 768-5053. In addition, a notice will be posted by the intramural office/bulletin board. Games will be scheduled at later dates if possible.

DEFAUL TS
• Teams that anticipate a hardship in fielding a team for a game, which has already been scheduled and cannot be changed, should call the IM Office ASAP. A default/loss will be recorded but a forfeit will be avoided.
• A second default will be a forfeit.
PARTICIPANT CONDUCT & DISCIPLINARY PROCEDURES

Clearly sports are important to the participants but that importance should not become so overriding that players lose sight of civilized behavior. Good sportsmanship is a requirement of all participants, players and fans. The playing field is not a venue for physical or verbal abuse! A team is responsible for the actions of individual members and for spectators directly related to their team. Team/organizations will be held responsible for their group’s conduct. Penalties are as follows:

**Disrespect towards Staff and Officials**

Any individual addressing a staff member or official in an unsportsmanlike or discourteous or threatening manner will be immediately disqualified and ejected from that game/event. 
*Suspension: minimum of 2 games.*

**Shoving or Striking a Staff Member or Official**

Shoving or striking a staff member or an official shall result in immediate suspension from all Intramural activities. This may include an attempt to strike, even though there may be no contact. 
*Suspension: minimum of the remainder of that sport to 365 days*

Abusing an official will also result in the filing of an incident report with the University Judicial Board and Campus Police.

**Unsportsmanlike or Disruptive Behavior**

Anyone endangering the welfare of another will be disqualified immediately. In addition, the individual will be suspended from competition for a minimum of their next two scheduled contests. Team member, captains, spectators, coaches or entire teams may be asked to leave the playing area. 
*Suspension: minimum of two games.*

**Team Members and Spectators**

Team members and spectators who leave the benches/viewing area to participate in any isolated altercation. 
*Suspension: minimum and indefinite for the team/organization, minimum of the remainder of that sport.*

**Involved in a Fight**

Anyone becoming involved in a fight will be disqualified immediately. If the instigator(s) can be identified, they will be suspended from that sport. “She/he hit me first” or “I was just defending myself” are not acceptable excuses for fighting. 
*Suspension: minimum of the remainder of that sport to 365 days.*

**Fraudulent Acts**

Any individual who is found guilty of cheating will be disqualified from Intramurals. The team will forfeit all its games in which the illegal player participated. Some examples include, but are not limited to: misrepresentation of a score, playing while ineligible or under suspension, participation under an assumed name, playing on more than one team, violating any eligibility rules. 
*Suspension: minimum of the remainder of that sport to 365 days.*

**Alcohol or Drug Use**

Alcoholic beverages and drugs are not permitted on or around the intramural playing areas. 
*Suspension: minimum of two games to 365 days.*

**Destruction**

Any person/team that willfully causes destruction of or damage to equipment shall assume full responsibility for the damage and will be assessed the full cost of repairs or replacement. 
*Suspension: minimum of the remainder of that sport.*
REINSTATEMENT

- Anytime a player, coach or spectator who is removed from the contest or playing area for conduct of an unsportsmanlike nature is automatically ineligible from further competition and will be suspended for any major infractions. (General Unsportsmanlike Conduct: Misuse of equipment, taunting, use of foul language, etc.) Notification of disciplinary action will be sent to the individual, team captain and other University departments if necessary.

- All ejected players must leave the playing area/facility when ejected. If the player refuses to leave within five minutes, the game will be forfeited. The team manager/captain is held accountable.

- In cases occurring late in the sport season or the academic year, a suspension may carry over into the next sport or next intramural year.

- An IM Disciplinary Report will be completed and placed on file in the IM Office along with the University Judicial Board. Captains or players removed from a contest must meet with the IM Director before their next scheduled contest to discuss the incident. The player/s will remain ineligible until this appointment is completed. The case may be referred to the IM Advisory board for a final decision.

- After reinstatement, anyone involved in a second major offense during the course of the intramural year will be banned from participation for 365 days. Depending on the severity of the incidents, the individual may be banned from all programs and services offered by the Intramural Department.

- Remember that all participants in the IM Program are students at the University and are subject to all provisions in the University Judicial Code. Refer to XII for the misconduct charges.

- The decision of an official or intramural staff member to eject a player for unsportsmanlike conduct (be it verbal or physical) will be firmly upheld by the IM Director. Protests of this type will not be accepted. Absolutely no exceptions.

- All suspended players will have an opportunity to meet and discuss their incident with the Intramural Director within 24 hours of the incident. After the meeting, the suspended player will be informed of any changes in their status within 24 hours. It is each individual’s responsibility to contact the intramural office at 768-5053 for a meeting.

- After the participant/s has been informed of their status, if the individual/s wishes to protest the decision of the Intramural Director, the participant will have 24 hours to put in writing to request a hearing of the Intramural Advisory Board. The protest must be given directly to the Intramural Director. The Intramural Advisory Board will make a recommendation regarding the protest. Once the decision has been made by the board, no appeal/protest will be accepted. The Intramural Advisory Board’s decision will be final.

*** If the participant(s) does not meet with the Intramural Director after the incident within 24 hours or does not protest their status after 24 hours after the Intramural Director’s decision, a protest will not be accepted.***
TEAM CAPTAIN’S RESPONSIBILITY

The success of the IM Program at UH is dependent upon the representatives who serve as team managers for each participating team. These persons have the important function of serving as a direct line of communication between their team and the IM Office. Each team entered in an IM event should have a designated captain who will act as a liaison between the team and the IM Office. The team captain is responsible for:

- Submitting the registration form during the sign-up period (on time).
- Attending the mandatory captain’s meeting or designating a teammate to represent the team.
- Knowing deadline dates, mandatory meeting times, the rules governing the sport your team is participating in, as well as being familiar with IM Policies & Procedures in regard to forfeits, defaults, sportsmanship ratings, postponements, etc.
- Keeping the team informed as to game site, time, opponent and other pertinent information.
- Ensure that all team members are eligible for participation.
- Submitting protests if necessary.
- Promoting and developing good sportsmanship (teammates and fans) before, during and after all IM contests.
- Assisting the IM Staff with an ejected teammate and referring that teammate to the IM Director after the incident.
- Ensuring that the team does not forfeit!
- Repaying the $10 forfeit fee before the next scheduled contest.

CAPTAIN’S MEETING

These meetings will be held to discuss rules, logistics and to hand out schedules for the sport. All teams are responsible for material covered and agreements reached or changes made at the captain’s meeting. All captain’s/manager meetings are mandatory. If a captain/manager or representative does not attend this meeting, the team may either be replaced by a team on the waiting list (whose representative is presenting at the meeting) or will be penalized for their first game/scheduled contest.

INTRAMURAL ADVISORY BOARD

- The Advisory Board serves two functions. To assist the IM Director in hearing all sportsmanship and rule violation cases that might result in suspension from the program and to maintain and improve the Intramural & Club Sports Programs. The board will render a final verdict in the case of an appeal.

- The Advisory board is comprised of students and staff from various areas of the campus community. The Board consists of the SGA president (or representative), one faculty/staff, 5 students and the IM Director.
GAME TIME PROCEDURES

This section gives pre-game guidance for both IM Staff and the participants. Without these policies, IM would not be able to maintain consistent, fair, safe and organized for all other team sports.

**Jerseys**

All teams are recommended to get their own jerseys. Jerseys are recommended for most team sports.

- All jerseys must be matching and have permanent numbers
- Tape is no longer permissible.
- Teams without jerseys will not be allowed to participate.
- Pinnies will be provided if teams don’t have their own jerseys or if both teams’ jerseys are similar.

**Signing In**

- Before each and every game, participants must provide a valid picture I.D. to IM Staff at the playing site.

- A student, faculty or staff member who does not have an I.D. will be granted one exception. After that the player will not be allowed to play. (Excuses such as “I didn’t know” or “I lost it” are unacceptable.)

- Students are allowed one exception per sport. An updated list will be kept at the check in area.

- If an I.D. is legitimately lost, a call to the IM Office prior to the event must be made. Until a replacement is issued; a copy of a student schedule is acceptable.

**Rosters**

Once a player has signed in, he/she is on that respective team’s roster. Player additions to the roster may be done anytime throughout the regular season of the sport. When playoffs begin, rosters are frozen. (Exception: If it is tournament format.)

**Time Limits**

- Teams should arrive at least 10 minutes prior to game time. If it’s your first game of that sport season, you will need to get there earlier than 10 minutes in order to take care of rosters and waivers.

- There is a five-minute grace period for a team to obtain the minimum number of players needed.

- When the 5 minutes expire, the team or contestant present has the following options:
  - Take the win by forfeit. No contest will be played.
  - Choose to wait until the opponent arrives to compete. However, the official game clock will start running as scheduled. The game will commence upon the arrival of the opponent with whatever time remaining on the clock. The waiting team will be given a scoring advantage. If the opposing team is not ready to play 15 minutes after the scheduled game time a win will be declared for the waiting team.
  - If neither team has the required number of players at the scheduled game time, both teams will be given 15 minutes to complete their team. No scoring advantage will be given to either team in this case.

All participants must sign a “waiver” form before participating in their intramural event. Participants are only required to sign this form once during the school year. (Sept-May)
SPORTSMANSHIP RATINGS

Good sportsmanship is a requirement of all participants. Players and coaches are to conduct themselves properly at all times. The IM Office reserves the right to suspend or disqualify individuals or groups for unsportsmanlike conduct. The team captain assumes full responsibility for the conduct of the team and spectators. Unsportsmanlike conduct includes actions which are unbecoming to an ethical, fair, honorable individual; it consists of acts of deceit, disrespect or vulgarity and includes taunting.

Each team will receive a sportsmanship rating from the official(s) and/or supervisor at the conclusion of the game. The officials will rate each team using the following guidelines:

**Excellent:**
given to a team which demonstrates good sportsmanship and maintains an excellent attitude of complete cooperation. Full and complete support of the officials, staff and supervisor.

**Above Average:**
given to a team when there is no incident of poor sportsmanship. Respect shown for opponents, staff and supervisor.

**Average:**
given to a team that is beginning to show poor sportsmanship, disrespect towards staff and officials, minor infractions are present. Poor behavior limited to individual/s, not to the entire team.

**Below Average:**
given to a team if players, other than the captain, persist in questioning officials’ decisions, repeatedly argue with the officials and staff. Frequent use of profane or vulgar language, players endangering the welfare of others, alcohol or drug use by players or spectators, spectators clearly related to the team fail to cooperate with the officials and staff.

**Poor:**
given to a team when players possess all the behaviors of a 1 rating. In addition they disregard warning of unnecessary roughness, unsportsmanlike conduct, abusive language or action, etc. Examples include fighting, bench clearings, ejected players for fighting, destruction or damage to IM property, no attempt of a team to control their fans and their interference in a game, striking an official or staff member.

1. A team that defaults will receive a 2.
2. A team that forfeits will receive a 0.
3. A team must have a 2.5 rating average in order to be eligible for the playoffs.
4. A team must have at least a 2.5 for each game in the playoffs to advance to the next round.
5. Any team that receives a 0.0 in a playoff game will be disqualified from that playoff tournament. The Intramural Director will make the final decision.
TIE BREAKING PROCEDURES

Ties between 2-3 teams will be settled in the following ways:

1. Intramural points for that sport. When computing points for Win/Loss record, the following system will be used:

   - Win = 2 points
   - Tie = 1 point
   - Loss/Default = 0 points
   - Forfeit = (-1) point

2. Head to head

3. Sportsmanship Rating

4. Point difference with all similar teams

5. Total goal/points

GAME PROTESTS

The purpose of a protest is to insure an equal opportunity for victory. Judgment calls may not be protested.

1. Protests will only be allowed for incorrect interpretation/enforcement of a rule and/or use of an ineligible player.

2. Protests will NOT be considered if they are based on a decision involving the accuracy or judgment on the part of an official.

3. Whenever a matter of protest arises during a game (other than player eligibility) the captain of the protesting team shall: Notify the official(s) and field supervisor, that protest is being initiated immediately after the play in question ends and before the next play begins. The field supervisor or scorekeeper will document the score, time and rule in question.

4. The formal protest must be type written and presented to the IM Director before 5:00pm the following business day. If this procedure is not followed, the protest will be invalid.

5. If the team protesting a rule wins the game then a written protest is not necessary.

6. If the protest is upheld the contest may be replayed entirely or from the point of protest to be determined by the IM Director.

7. Any team or player that does not agree with the protest may file a written appeal. If the IM Director deems the appeal acceptable a hearing will be arranged with IM Advisory Board. The Board will make the final decision.
**POINT SYSTEM**

However, it is strongly recommended that participants be aware of their own limitations.

The University of Hartford Intramurals will not be held liable for injuries sustained by individuals participating in the IM Program. Any injuries or accidents occurring during intramurals should be reported immediately to on duty personnel.
